

Person Centered Tech: Membership Program

Your Center is your Clients. Our Center is You.

We know that you want to focus on your clients, so we provide a way to achieve your required continuing education hours while learning how best to serve clients in the digital world and achieve HIPAA compliance.

Our Membership Program:

1. **The Core:** 9.5+ hours of APA & NBCC approved Continuing Education
 2. **The Assessment:** The HIPAA Risk Analysis
 3. **The Solutions:** Library of How-To Resources and Product Reviews
 4. **The Plan:** Customizable Policies & Procedures Templates
 5. **Office Hours:** Ongoing, Direct Consulting + More CE hours
-

Ethical. Effective. Efficient.

Thank you for your help. You guys truly do a good thing – you have created the most comprehensive place for this sort of data that I’ve found. So needed.
-- Timari.

I’m a subscriber and appreciate your work so much!!!! ...I rely so heavily on your analysis of things that affect my practice.
-- Amber

I have subscribed to Person Centered Tech and was with you on Monday. In one day I’ve accomplished much in feeling more secure.
-- Marge

Question on how this fits your individual needs? Just Call Liath!
